CELEBRATING LIFE SAVERS

Awards for those who've earned **RESPECT & LOVE** everyday of their life

The medical profession has always been called "The Nobel Profession". And rightfully so. Through times of pain and illness we turn with faith to these practitioners of medicine to comfort and cure us. And they work day in and day out to help us. For them, work never ends.

The demands on these doctors are physical, mental and emotional.

Never were they more put to test as they were, in the last few years when we collectively battled the pandemic. How many doctors put their own lives at risk to try and save the many who were dealing with a mysterious illness?

Ashok Jaipuria, Chairman of Cosmo First Limited recognizing the invaluable services of the medical fraternity has now set up an annual award program to honour and infer recognition for the services of these brave hearts. Sitaram Jaipuria Medical & Healthcare Excellence Awards have been created with a deep sense of respect. It aims to shine a light on the many doctors who are our backbone and safe harbour. The awards are the first of its kind to be set up in India.

The awards will equally encompass practitioners in rural and urban areas. Many a time doctors in far flung places are unsung heroes. They too must be seen.

The awards will be fully funded by Ashok Jaipuria & family and their associate enterprises for the first five years. From there, the awards will evolve and expand.

Sitram Jaipuria Medical and Healthcare Excellence Awards are an effort that is inclusive and objective. And hopefully will play an important role in spot-lighting talent and innovators.

Eligibility Criteria

Excellence in Medicine and Healthcare Award **INR 50 Lakhs**

This award aims at honouring an individual who has made and continues to make an outstanding contribution to improving clinical care and fostering innovations in India.

Eligibility Criteria:

- a) Should have an excellent track record in the following domains:
 - Academic
 - Research and Innovation¹
 - Clinical Care
 - Policy & Public health
 - Institution building
 - Mentorship
- b) Should possess strong and demonstrated Ethical, Moral and Human Values such as compassionate care and societal contributions.

Emerging Young Leader in Medicine and Healthcare Award **INR 10 Lakhs**

This award aims at honouring a young individual (< 45 years) who has made and continues to make an outstanding contribution to medicine and research in India.
